How to find us:

**Directions to the Electronics & Innovation  
150 Lucius Gordon Drive  
Rochester, New York 14586**

**From Western Monroe County and Airport:**

Take I-390 to exit 17 (Scottsville Road, Rte. 383) South toward RIT (2.6 miles).

Turn left onto Jefferson Rd (Rte. 252)

Cross over the bridge and immediately turn right onto E. River Road. Continue for 1.4 miles on E. River Road. Turn left onto Bailey Road and make your first right into the RIT Business and Technology Park; Electronics & Innovation is located in the Tec center, the first building on the left.

**From Eastern Monroe County:**

Take I-590 South to I-390 South to exit 14 (Jefferson Road), turn right onto Jefferson Road. Continue 2.6 miles on Jefferson, past Marketplace Mall and Southtown Plaza. Turn left onto John St. (away from U-Haul on right-hand corner). Follow for 1.6 miles to the traffic light and turn right onto Bailey Road. Follow Bailey for 1 mile past Wyeth and turn left into the RIT Business and Technology Park; Electronics & Innovation is located in the Tec center, the first building on the left.

**From I-90 (Thruway) and South:**

Take I-390 North to exit 12 (Lehigh Station Road) and follow West for .6 miles to Rte. 15. Turn right onto Rte. 15 (W. Henrietta Road). Follow for 1 mile and turn left onto Bailey Road. Follow Bailey for about 2 miles past Wyeth and turn left into the RIT Business and Technology Park; Electronics & Innovation is located in the Tec center, the first building on the left.
